

HOXTON PARK HIGH SCHOOL

UNIFORM POLICY [Ver 3.2]

Our Hoxton Park High School uniform promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community. The uniform has been carefully designed and considered by the school community so it does not interfere with the learning and wellbeing of all students.

Schools expect students to wear the uniform during school hours, while travelling to and from school, on out of school excursions and when engaged in school activities out of school hours.
