

## Hoxton Park High School - HSC Examinations 2022

### HSC STUDENT ADVICE:

We know our students and staff have worked hard for the HSC and the safety of our students and staff remains of utmost importance. Arrangements are in place to ensure that any disruption due to COVID-19 will have minimal impact on HSC exams.

It is important that students review their timetable and plan well so they turn up for their exams on time, healthy and rested. Students can view their personalised HSC exam timetables via [Students Online](#).

Students should familiarise themselves with what [exam equipment](#) can and can't be taken into the exam room, including [approved calculators](#), and other [exam advice and resources](#).

Any student with a pre-existing condition, that presents similarly to flu-like symptoms, should be planning now and speak to their doctor/GP. The GP can provide a medical certificate ahead of the exams to ensure they are not sent home.

If your child is unwell and misses their exam, contact the school. Students who are unwell will be eligible for the illness and misadventure provision with NESAs.

If there are any changes to exam arrangements we will communicate with HSC students via the school's communication platforms. If in doubt, please call the school.

We wish all our students well in the upcoming exams.
